RWANDA MOUNTAIN TEA LTD

## About Rwanda Mountain Tea LTD

At Rwanda Mountain Tea LTD, we offer high-quality and sought-after variety of tea produced in the East African nation of Rwanda. Rwanda Mountain Tea is well known for its rich flavor, grown in the mountainous regions of Rwanda. Its unique taste profile, coupled with traditional processing methods and a focus on sustainability, has made it a noteworthy player in the global tea market and a source of pride for Rwanda's tea industry.

Our beautiful tea gardens Kitabi, Gatatare, Rutsiro, Nshili Kivu, Rubaya, Nyabihu, Mata and Gisakura located in the hilly and mountainous regions of the country, particularly in the Western and Southern parts of Rwanda, which provide the ideal climate and altitude for tea cultivation.

At our tea plantation we produce both CTC and Orthodox Type Black Tea, Green Tea in both organic and non-organic forms. We have also embarked the journey of adding value to our teas by launching consumer product range with tea bags and loose tea at our blending and packing division.

Welcome To Rwanda Mountain Tea "Where Quality Makes the Difference"
